

Vikram Kumar Gupta

Data Analytics Aspirant | SQL · Excel · Power BI · Python

Naigaon, Maharashtra | +91 95110 76454 | vg911889@gmail.com | linkedin.com/in/vikram91

PROFESSIONAL SUMMARY

Data Analytics graduate (CGPA 8.94) with hands-on experience in survey-based research, data cleaning, and dashboard reporting using Excel and Power BI. Eight months of experience evaluating AI-generated content for accuracy, developing a strong eye for detail and data quality. Comfortable turning raw, unstructured information into clear, actionable insight. Looking to start a career in Data Analytics.

EDUCATION

Master of Computer Applications (MCA) | 2025 - 2027 (Pursuing)

IEC College of Engineering and Technology

Bachelor of Computer Applications - Data Analytics (BCA) | 2022 - 2025

Amity University | CGPA: 8.94

EXPERIENCE

AI Model Trainer | Outlier | Feb 2025 - Sep 2025

- Reviewed AI-generated responses and verified correctness through independent online research.
- Delivered structured feedback and corrections that improved response quality and consistency.
- Carried out data labeling and annotation to support model training pipelines.
- Helped improve the overall accuracy and reliability of AI outputs through careful quality checks.

PROJECT

Behavioral Analysis of Online Shopping

- Designed and ran a structured questionnaire to study online shopping behavior, collecting 100 responses.
- Cleaned, organized, and analyzed the data using percentage methods and charts.
- Identified key factors driving purchase decisions - convenience, discounts, product variety, and platform preference.
- Evaluated consumer preferences around payment methods, and trust and security concerns.
- Built a practical, applied foundation in data analysis and visualization.

TECHNICAL SKILLS

SQL · Power BI · Excel · Python (Basic) · Data Visualization · Problem Solving · Critical Thinking

HOBBIES

Playing Chess · Cooking
